Tips for trips :

- ALONG THE DAVČA VALLEY TO ŽELEZNIKI

A fifteen minute drive from the apartments in the direction of Železniki brings you to the active village of *Davča*. You continue your trip on foot in front of the domestic rural tourism point near Jemec and follow the marked path towards *Porezen*. You soon turn towards the Davča falls. On your way back you can reenergize yourselves at the tourist farm *Pr' Šoštarju* (At Šoštar's). After become revitalized you can also visit the ethnographic museum *Davča*. From there you can follow the winding valley to Železniki. Visiting the *museum* there will take you through the history of steel production and woodworking. Prior to going back to your apartment we recommend that you take a look at how *Dražgoše* and *Loka* honey bread is made.

- VISITING SORICA – THE MOST BEAUTIFUL SLOVENIAN VILLAGES

19 km from the apartments, along a path through *Zali Log* there is the village of *Sorica*. More demanding hikers can go on a circular tour along the tops of the *Sorica Plateau*. You will need approximately three and a half hours for the entire circle. A short walk will take you on a *Path of Heritage Buildings* (duration is approx. 1 hour), where you will learn about the *Sorica "Pajštuba"* (drying facility), the "*Kozolec*" (hayrack), a Baroque style church and other facilities. The trip takes you on a tour of *Grohar's Home*. In *Sorica* you can eat at the *Restaurant Macesen*, where they will spoil you with domestic specialities. Prior to going back to the apartment, you will also be able to see a *NOB* (National Liberation) monument in *Dražgoše* that was uncovered on July 22, 1976.

- ALONG "PALAJ" TO KOPA

The starting-point of this 2-3 hour hike to *Kopa* is at *Raspet* (1050 m), which is located on the border between *Davča* and *Novakim*. You will be able to admire "*Palaj*" on this well-kept and marked circular path, which has been a valued medicinal plant for ages. In *Cerkljansko* they soaked it in homemade moonshine, which they later used to treat indigestion.

- IN THE LAND OF HEROES – THE WRITER FRANCE BEVK

Zakojca is located only 15 km from *Cerkno*, the birthplace of the famous Slovenian publicist and writer *France Bevk*. The homestead, which has been renovated into a *museum*, will take you back to the writer's childhood and early youth. You can obtain the key by registering in advance at the tourism farm *Pri Flandru* (At Flander's). *Zakojca* is also an excellent starting point for short trips since you only need an hour and a half to the nearby top of *Kojca*. On our way back you can taste some domestic specialities such as homemade smoked ham, stomach, dumplings etc. at the tourism farm *Pri Flandru* (At Flander's). They also have horses on the farm, and you can take the opportunity to learn the basics of horse-back riding.

- AN ETHNOLOGICAL TOUR OF CERKNO AND ITS SURROUNDINGS

You will start your trip in *Cerkno* at the *Cerkljansko Museum*, where you will be able to see the exhibition "*Cerkljansko Through the Centuries*" and "*It's The Carnival's Fault!*". Only a short way from the *Franja Hospital* you can visit a typical *Cerkljansko* rural house called "*Kamlonarše*". You can finish your trip in *Novaki* in the direction of the *Cerkno Ski Centre* and take a look at the old farming tools in the restaurant *Lovec*.

- A TOUR OF THE ARCHEOLOGICAL SITE DIVJE BABE (WILD WOMEN)

"*Divje Babe*" (Wild Women) is a paleontological archaeological site, a karst cave on the steep rock ridges overlooking the valley of the *Idrica River* 17 km from *Cerkno*. The most famous discovery is the oldest instrument in the world - a bone pipe. In *Šebrelje* you can set off to *St. Ivan's church* towards the central village to the stag farm, where the locals will serve you with homemade stag salami and typical *Šebrelje* stomach.

- IDRİJA ON A MERCURY PATH

It is best to start at the *Idrija City Museum* for a tour where visitors are given a chronological overview of five centuries of the mercury mine and the city of *Idrija* (duration is 1 hour 15 minutes). Then there is a tour towards the "*jašku Frančiška*" (The *Frančišek Shaft*) the oldest preserved mining facility in *Idrija* and then toward the *mining house* (duration is 45 minutes). You then continue on to "*Antonijevem rovu*" (Antonio's Shaft), which is one of the oldest preserved entrances into a mine in the whole world and is open for tourists (duration is from 45 minutes to 1 hour). After touring the mine you can also visit the "*Kamšt*" (duration is 45 minutes), a mining pump with the biggest wooden wheel drive in Europe or you can drive to "*Divje jezero*" (Lake Wild) or to "*Klavž*" a river dam, which helped those who floated wood around *Idrija* for the needs of the *Idrija* mercury mine.
